Claim Status Inquiry

GET REAL TIME ANSWERS TO YOUR CLAIM STATUS QUESTIONS.

No more data entry. No more phone calls. Claim Status Inquiry allows you to check a claim's status with one click, saving your office hours of work in claim follow-up every week.

Check claim status in no time.

Manually checking the status of your claims can be a complicated and time-consuming process. With our system, you can instantly access the up-to-date status of your claims, sent directly and in real time from hundreds of payers – all from your TriZetto Provider Solutions® account. Because you request the status check, there's no waiting for an acceptance or rejection to obtain an updated report.

Key features include:

- Ability to see your claim's position at any point during the payer adjudication cycle
- Insight into a claim's current status
- One central location for checking the status of your claim
- Options for integration within Practice Management Systems for sending real-time or batch inquiries
- Electronic access to over 350 payers, including Medicare

It's a quick and easy electronic solution to checking the status of your claims.
