

TriZetto Provider Solutions®

Electronic Authorizations

Save up to 20 hours per week by electronically sending a 278 transaction to payers for referrals and authorizations

Electronic Authorizations from TriZetto Provider Solutions streamlines the process of requesting a Health Care Services Review and Notice of Admission by reducing administrative costs and manual paper-based processing. Seamlessly receive the response by leveraging the HIPAA-covered 278.

Electronic Authorizations features allow you to:

- Facilitate real-time prior authorizations
- Fax the certified response directly from the TriZetto Provider Solutions' portal
- Save work in progress and resume at a later time
- Support four request types:
 - Admission certification
 - Home healthcare authorization
 - Specialty care referral
 - Outpatient authorization
