

TriZetto Provider Solutions®

Electronic Remittance Advice

EFFORTLESSLY TRACK AND POST PAYMENTS

It's easy to spend hours searching for files and remits. Electronic Remittance Advice tools from TriZetto Provider Solutions® puts the information right at your fingertips.

Reduce errors with standardized electronic remits

Our direct connections to thousands of payers, combined with practice management software integration, makes it easier than ever to store, search and access ERAs.

TriZetto Provider Solutions gives you the power to analyze and print EOB information from multiple payers by date, patient, physician, payer or payment. Our Electronic Remittance Advice tools also allow you to:

- Securely store all ERA files online
- Access files in a standardized format
- Search for ERAs using a wide selection of search criteria and save common searches

In the end, Electronic Remittance Advice from TriZetto Provider Solutions leads to faster revenue and improved control over every aspect of your practice.
