TriZetto Provider Solutions®

Patient Payments

CREATE A PATIENT-CENTRIC PAYMENT EXPERIENCE

TriZetto Provider Solutions' Patient Payments solution meets healthcare consumerism head-on by creating digital solutions for quicker, more user-friendly payment experiences as opposed to traditional paper billing. This solution combines payment best practices, an intuitive interface and configurable tools to help balance empathy for patients with desired payment outcomes.

Providing patients with customized payment options, patient-initiated payment plans, and a simplified, easy-to-use platform dynamically shifts the overall framework of patient collections. Patients experience a painless onboarding process, can store payment details for future payments, and can embrace tech-enabled communications, including text and emailed statements.
