

Beware the Hidden Costs of Free Clearinghouses

You may be considering using a free clearinghouse to handle your claims. But in today's always-changing health care industry, you may soon find that "free" costs you much more in lost time, resources and revenue.

There's more to reimbursement than just claims processing. Consider these 10 reasons why TriZetto Provider Solutions® can save you so much more than "free."

Claim Status Identified Within 5 Days

Don't lose another claim to limbo – Our claim file reconciliation report summarizes all claim activity and quickly identifies lost and unpaid claims.

1,000+ Eligibility Connections

Utilizing electronic eligibility verification increases patient satisfaction and has an average annual savings of **\$3,700** per physician*.

Automated Secondary Claims

Reduce manual processes – Our solution automatically reads your patients' primary claims and generates secondary claims when necessary.

98% Acceptance Rate

Our clients average a 98% first-time, clean claim acceptance rate.

High First-Call Resolution

When questions arise, our U.S.-based staff offers a level of knowledge that no free clearinghouse can match.

Denials Management and Automation

Our solutions help you understand the reasons for costly denials, prioritize opportunities for appeal, and automatically generate appeals.

400+ EMR PM

Integration with more than 400 practice management and EMR systems allows you to easily incorporate our solutions into your workflow.

Easy Implementation

An easy-to-use implementation portal and dedicated implementation specialists help you with enrollment from start to finish with no downtime in claim submission.

96% Client Retention Rate

With solutions designed to protect your bottom line and proactive customer care, we are confident that you will be satisfied with your choice.
