

Fast Track your Clearinghouse Enrollments

When the time comes to evaluate your clearinghouse options and a switch is inevitable, you need to know your new clearinghouse partner can pick up where you've left off. We know how essential quick onboarding can be when your revenue is in limbo. With more than 40 years in revenue cycle management, you can trust TriZetto Provider Solutions (TPS) to manage your claims, remits and other electronic transactions with ease.

Fast and Efficient Onboarding

- Experienced and specifically trained enrollment teams with a dedicated practice management system (PMS) focus
- An enterprise clearinghouse enrollment portal streamlines the entire process from start to finish
- Dedicated resources for clients changing clearinghouses

Why TPS?

- 40 years in business
- Connection to +90% of health plans
- No year-long contracts
- Custom pricing models
- Dedicated PM system-specific support

Commercial Plan Enrollments

- Commercial plans require no enrollment for claims. Clients can send claims through TriZetto immediately for commercial plans.
- Remit/ERA enrollment for commercial plans takes 15-30 days on average. Submit backlogged claims, and by the time they process your remit enrollment date will be quickly approaching.

Government Plan Enrollments

- Government plans require enrollment for claims and remits. We average between 3-15 days for claim enrollment
- Remit/ERA enrollment can take 5-30 days, depending on the government plan

Data Security

We know data security is a high concern for our clients. That's why our clients put their trust in an EHNAC and SOC 2 certified partner that puts data protection as a top priority. Nearly half a million providers chose TriZetto Provider Solutions to ensure continuous cash flow and simplify the business of healthcare.
