

Dear Supporter,

TriZetto Provider Solutions (TPS), a Cognizant Company, is a proud supporter of FamilyForward. We will be hosting our annual golf tournament on **Wednesday, June 4th, 2025** at the Courses at Forest Park in Saint Louis, MO. This event is our single largest fundraiser of the year and consistently raises thousands of dollars for local children.

FamilyForward leads the community in providing innovative solutions for advancing safer, healthier relationships for children and families. They move vulnerable children in the direction of hope by delivering comprehensive therapeutic and educational services to support biological, foster, and adoptive families. Services include therapeutic preschool for children ages three to five, trauma assessment/psychological evaluation, therapy services, foster care/adoptive case management, coaching/education for parents/caregivers, training for educators, mental health professionals, and partner agencies. For more information, visit familyforwardmo.org.

For more than twenty years, the giving staff at TPS has donated their time and talent to the children of FamilyForward, participating in a variety of holiday events and field trips. TPS is a proud sponsor of FamilyForward and we would like to invite you to join us in backing this amazing organization.

Your company can help FamilyForward as a sponsor of our golf tournament. Tournament sponsorship takes place at the following monetary donation levels:
