

CONTRACT MANAGER

CONTRACT CLARITY

Get a clear look at contract performance.

How can you use up-to-the-minute business intelligence to cut your payer contract risk? Contract Manager makes it simple with fast and accurate payer contract analysis. Analyze contract performance over time with accurate analysis tools that use your payer's own claim rules.

Contract Manager from TriZetto Provider Solutions allows you to:

- Monitor and increase payment accuracy
- Analyze contract performance over time
- Build and compare current and proposed fee schedules and their impact to revenue in an unlimited set of scenarios

Reduce contract risks with cutting-edge business intelligence by getting a clear picture of individual contract performance. Contract Manager from TriZetto Provider Solutions analyzes and audits payment data to ensure payments are accurate, making it the easiest way to understand your contract risk.
