

## PATIENT EXCHANGE

# ACCEPT PAYMENTS ANYWHERE, ANYTIME.

Patient Exchange enables your patients to easily pay their bills with check or credit card anywhere, anytime. They'll appreciate the convenience and you'll get paid faster.

**NEWLY ENHANCED!** Additional features and key benefits for your practice and patients include:

- Ability for your patients to pay their bills 24/7 through a secure online payment portal
- Safe, encrypted transactions for the highest level of security and compliance
- Easy registration for individual patients or family accounts
- Ability to instantly send e-statements via text or email
- Option to void payments in one convenient location
- Capability to add or change user permissions

Start collecting patient payments quicker with the convenience of Patient Exchange from TriZetto Provider Solutions®.
