

PATIENT STATEMENTS

SAVE ONE HOUR AND \$20 EVERY 100 STATEMENTS.

Manual billing tasks are time consuming and leave room for error. Simplify the patient billing process through fast and accurate printing and mailing of professional patient statements. Our Patient Statements service lets you upload statement files in seconds, and we take care of the rest.

Send statements the easy way.

As soon as you send statement information, TriZetto Provider Solutions gets to work. We'll process, print, fold and mail your paper statements. Because the information comes directly from your Practice Management System, the bills are accurate and timely.

Advantages of Patient Statements include:

- Clean, concise statements help provide a positive patient experience.
- Accurate, timely statements can boost revenue and provide continuous cash flow.
- The elimination of manual billing lets your staff focus on other tasks, boosting productivity

Ready for the best news? Providers who use Patient Statements have reported saving up to one hour of staff time and \$20 for every 100 statements. That's savings that really adds up over time.
