

## PRIOR AUTHORIZATION SERVICES

### SIMPLIFY AUTHORIZATIONS AND STREAMLINE REVENUE

Without a certified prior authorization from a patient's health insurance to cover a certain procedure or service, or a prescribed medication, providers have no recourse if a carrier denies a claim containing these procedures.

TriZetto Provider Solutions' Prior Authorization Services handles the process of obtaining prior authorizations per the guidelines set by the payer, reducing denials to optimize collections, reducing overall days in AR, and improving cash flow for the practice.

#### Key Benefits

- Unlimited payer list
- Increased profitability through reduced write-offs
- Decreased unforeseen patient balances
- Improved practice efficiency and lowered overhead
- Reduced time spent on processing manual transactions
- Quicker turnaround time for patient visits

Realize an overall cost savings of \$5.50 per transaction.\*

\*Based on industry averages. Overall cost saving may vary.

**91% of physicians report care delays because of manual authorization processes**
