Paper Medical and Dental Claim Attachments

SIMPLIFY SUPPORTING DOCUMENTATION SUBMISSIONS

Payers require supporting documentation for 5-10% of medical claims and for a much greater percentage of dental claims. Yet with different submission rules and formats for different payers, the process can be cumbersome and costly.

TriZetto Provider Solutions Paper Medical and Dental Claim Attachments can help. This solution enables a more efficient way to submit paper claims and corresponding attachments to almost any payer.

This solution can help maximize revenue by:

- Reducing costs associated with manual paper workflows
- Enabling a remote work force to send paper claims and attachments to payers
- Automatically associating attachments to the claim
- Reporting on attachment delivery to payer adjudication

TriZetto Provider Solutions Paper Medical and Dental Claim Attachments solution can help deliver claim attachments to payers faster and more economically than manually managing the process in-house.
