

# PATIENT PAYMENTS

## CREATE A PATIENT-CENTRIC PAYMENT EXPERIENCE

Personalize the payment experience for every patient and meet healthcare consumerism head on. TriZetto Provider Solutions, a Cognizant company, offers a secure, flexible online payment portal that allows patients to make payments anywhere, anytime.

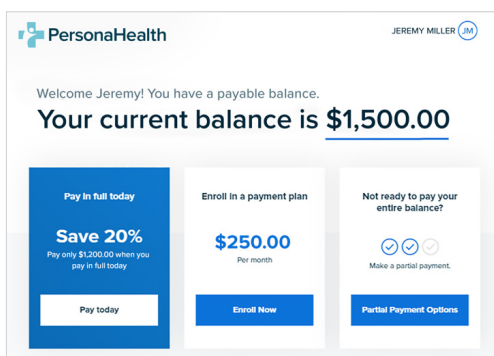

This user-friendly portal combines payment best practices, an intuitive interface and configurable tools to help balance empathy for patients while achieving desired payment outcomes.

With this solution, you can:

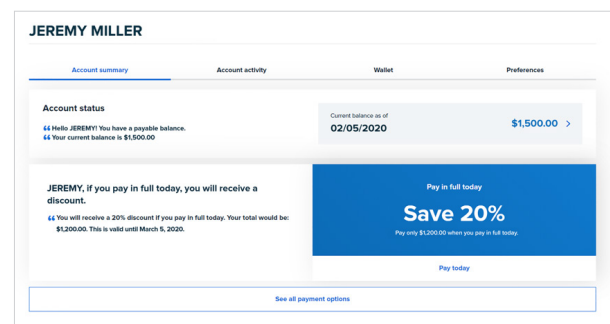

- Tailor a precise approach based on a patient's payment history
- Provide intuitive self-serve payment options
- Utilize scripting to easily guide financial conversations
- Gain visibility into all patient financial integrations
- Drive digital correspondence and eStatements
- Offer additional digital payment options\*

Efficiently increase payments and meet patient where they are with a straightforward and seamless financial experience.

\* Some payment options including Text-to-Pay and Integrated Voice Response are available for an extra fee.
