

TriZetto Provider Solutions®

Action Edits

ALLOW YOUR CLIENTS TO RUN CLAIM EDITS IN REAL TIME AND IMPROVE THEIR CLEAN CLAIMS RATE.

Action Edits™ is an integrated solution that runs claim edits in real time prior to submission to TriZetto Provider Solutions. The edits resides in the clearinghouse platform, but can be integrated within your practice management system (PMS), notifying the user if action should be taken on the claim prior to submission to the payer.

Action Edits™ includes these key benefits:

- Integration into your PMS so your client never has to leave the software when building claim files
- Real-time response in two seconds or less
- Ability to identify errors prior to submission to improve clean claims rate
- Quicker recognition of revenue as fewer claims are returned by payer and need to be submitted again

In the end, Electronic Remittance Advice from TriZetto Provider Solutions leads to faster revenue and improved control over every aspect of your practice.

**With Action Edits™ functionality in play,
expect to see claim errors drop to 1% or less.***
