Advanced Reimbursement Manager Pro

A BETTER WAY TO IDENTIFY AND RECOVER DENIALS AND UNDERPAYMENTS

Did you know that it costs approximately \$25 to rework a professional claim and increases to \$118 for an institutional claim? With more than 65 percent of denied claims left unresolved the revenue loss can quickly add up.

TriZetto Provider Solutions offers Advanced Reimbursement Manager Pro, a denials and contract management tool for professional and institutional claims. The solution easily identifies denials and underpayments, quickly makes them available for re-work and automates the appeal process.

Streamline the discovery and recovery of denied and underpaid claims by automating manual, tedious processes.

Features of ARM Pro include:

- The capability to manage both professional and institutional claims
- An automated documentation and letter generation process to manage appeals
- An intuitive, easy-to-use interface
- Additional features like work queues and dashboards for user-friendly reporting
