

PRACTICE GROWTH

Grow your web presence and attract more patients

Tebra's unique approach to healthcare marketing helps practices stand out in today's digital world. Build and polish an online presence that helps you connect with more of the right patients.

Key features

Practice website

Convert more site visitors into patients with an SEO-optimized website for your specialty, including mobile-responsive design and HTTPS security.

Web profiles

Make it easier for patients to find you by optimizing your online profiles across search engines and local directories.

Reputation management

Leverage automated patient surveys to drive online reviews and respond to feedback with a simple tracking dashboard.

Advertising and social media

Grow your audience with a steady stream of digital ads and social content that engages patients beyond their appointment

Benefits

- + Improve online visibility and traffic across major platforms
- + Effortlessly reach patients with thoughtful campaigns
- + Drive new business by establishing a digital front door
