

WORK COMP

SAVE TIME AND MONEY WITH A STREAMLINED SOLUTION.

Manual processing of workers' compensation, auto accident and liability claims can be slow, time consuming, frustrating and expensive.

Designed with you in mind.

Strict state and payer mandates mean manual processing of workers' compensation claims can be time-consuming, frustrating and expensive. TriZetto Provider Solutions' Work Comp solution can help your practice get paid faster, easier and accurately.

- Provides ability to submit batch attachments
- Easily converts attachments to correct electronic formats, as requested by payers
- Includes built-in claim edits to match unique payer specifications
- Auto-links each attachment to corresponding claim
- Includes easy-to-access list of more than 3,000 payers for quicker Payer ID lookups
- Offers auto-lookup state license numbers, where required

Streamline your workers' compensation claims submission processes with a single portal that allows batch attachments and provides tools for clean, accurate submissions.
